

What others say:

"Very helpful and enjoyable workshop. I really came away thinking that I had learned and retained information." (Applicant)

"I feel good about the new 'tools' I now have for helping people express themselves." (LLL Leader and APL)

"The verbal session really tied it all together for me. I'm anxious to get home and listen to my children!" (LLL member)

"A very exhausting but enlightening experience." (LLL member)

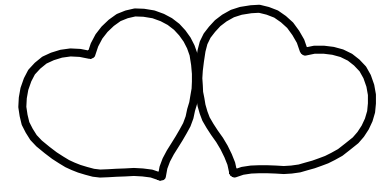

"I have learned patience in listening to someone and hearing where she is, not where I think she should be." (LLL Leader)

"The Instructor made the whole time fun and thought-provoking. This is really quite professional." (Husband)

"I plan to use this refresher in listening skills with my clients." (Social Worker)

"I have found my (CS) training invaluable. Thanks so much!" (Parenting Instructor)
